**Master Church's Klamath Family Taekwondo Student Progress Report.**

**Dear Parents and Teachers:**

Klamath Family Taekwondo and Master Church are dedicated to improving the success of our mutual students. We feel it is important to stay in constant touch with our students' life coaches and mentors. We are now charting the progress of all our students on a more frequent basis to make sure we are working in the right direction.

Please fill in the current grade and any comments regarding our mutual students' performance and behavior in your class.

Thank you for your cooperation in helping create life champions;

*Master Church.*
